Wars 2: How to Make Money?

[b]How to Make Money in Guild Wars 2[/b]: Dear Players,

This article will teach you how to make money in Guild Wars 2.

I have made many characters for years. I want to share my secret methods with those who are still beginning and just started to make gold. At the beginning of the game, your main characters are pretty weak, and very expensive. Because of this, many of you may choose to not have more than one main character in the game. However, after some experience and obtaining some skills, you can use your main characters to make gold so that you can buy items in the Item Mall and benefit from the revenue.

I'm currently planning to turn this into a series. In the first part, I will share the methods of making 500 gold. For those who want to make more, I will write more in the future.
